Presentation:

Concrete Repair

Presented by: A. Vance Pool

Presentation Description:

This presentation will discuss both the process of repair as well as the some of the more common causes and repair methods and products. The goal of the presentation is for all the attendees to leave with a better understand of what causes concrete to need repairs, what solutions are available in the market and some of the important steps in the repair process. The presentation will reference ICRI (International Concrete Repair Institute) best practices and documents. We will also discuss issues an engineer should be aware of when inspecting repair work as it is being completed. One hour of continuing education credit will be awarded to those who attend.

SPEAKER BIO:

A. Vance Pool

Vance has been involved with the construction industry in some form or another since summer high school work finishing concrete and framing houses. He graduated with a degree in architecture from Georgia Tech and has held numerous technical positions in locations across the US. Vance has been employed by leading cement, ready mix, admixture, fiber and building materials companies as well as the National Ready Mixed Concrete Association. He has been published 37 times. He has spoken on numerous topics related to concrete, building materials and the construction industry in five countries and many states in his four decades of industry experience.

Vance is part of the Euclid Chemical Team where his experience with concrete, field practices, civil and structural engineering are a resource to engineers, architects and owners in Texas, Oklahoma, Arkansas, Mississippi and Louisiana.

Newsletter Advertisement Policy

The Fort Worth Chapter of SEAoT would like to invite all prospective advertisers to contribute to the newsletter. We will definitely appreciate your support. You may support SEAoT by advertising in the newsletter. Space is available to structural engineering firms, vendors, and suppliers starting at \$275.00 for one year of advertisement (8 newsletters). If interested, please contact the newsletter editor, Eric Hegmann, via phone at (817) 770-6125 or email at fortworthseaot@gmail.com.

The newsletter editor is also looking for articles and announcements for publication. Submissions may be sent to the editor at fortworthseaot@gmail.com. Articles and ads to be included in the newsletter must be received by the first Wednesday of the month the article or ad is to first appear. The newsletter is loaded on the SEAoT website, so you will get exposure to the entire state of Texas and more.
